

PRODUCT DESCRIPTION

A glossy White glass shade, conical in form, is combined with sharp-lined bands of metal finished in your choice of Polished Nickel or Satin Brass to create a pyramid of softly diffused light. Squared off trapezoidal chain loops connect to squared chain links allowing for over ten feet of adjustment. Though modern with its angular form, this pendant applies traditional metalwork details to create a timeless piece perfect for over a kitchen island or bedside.

*Height from center of outlet to the top of the fixture
