

PRODUCT DESCRIPTION

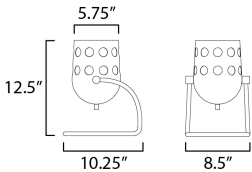

Retro configurations of Mid-Century Modern perforated metal designs inspire this collection of pendants, wall and ceiling mounts complete in a two tone powder coat finish. The spun metal shades are punched with large circular perforations that scatter a pattern of light when lit. Finished in a clean, two-tone Matte White and Black powder coat, these pieces add cheerful character to their space. The oversized shades on the wall sconce and portable lamps also feature a swivel joint that allow you to position the shade and direct the light with ease. A convenient switch on the back of the shade operates a 3-step dimmer to adjust the lamp's brightness at the touch of a button.
