

Natural Rattan wicker forms a sloping drum shade with integrated fan and LED light source. The Dark Bronze finish of the metalwork encases an LED ring at the bottom directing light downward. Finished in outdoor coatings for the rattan and the metalwork, this Fandelight is designed for covered outdoor spaces. Add coastal flair and find some respite under the breeze flowing from the FanDelight by Maxim. Not suitable for harsh climates or coastal applications.

Indoor/Outdoor | DC Motor | Damp Rated In/Out | ABS Blades | White Tunable | Dimmable
