

BOLA | 88811

Modern and chic, the Bola collection elevates the standard fan with its beautifully balanced design. A sleek globe frame seamlessly separates the top DC motor housing from the lower LED light kit, while gracefully curved solid wood blades add a touch of natural sophistication. The energy-efficient DC motor ensures quiet operation, while the included remote control allows you to customize the CCT-tunable LED light, from warm to bright, for the perfect ambiance. Available in 52" blade span and finishes in Matte White, Matte Black, Satin Nickel with white wood blades, or Natural Aged Brass with white wood blades. Suitable for dry locations, Bola merges form and function with effortless charm.
