

### **Maxim Continues Charity Raffle Donation Streak**

*For the GEODIS Foundation's annual raffle benefiting local non-profits, Maxim Lighting has continued its donation streak of supporting the charitable Foundation.*

*The GEODIS Foundation has focused on investing in the lives and futures of local at-risk youth and their families for over a decade, raising money for, and working closely with, local charities to aid their community. A family-run business since its inception, Maxim believes in the importance of creating a safe environment for children, with plenty of opportunities to achieve their dreams.*

*"Maxim Lighting has donated quality products for many years to the GEODIS Foundation, which are used for raffle and auction events that generate funds benefiting a wide variety of charitable and educational organizations in the Greater Nashville TN area. The GEODIS Foundation greatly appreciates this generosity from such a valued customer as Maxim Lighting," said Mike Jordan, GEODIS' Senior Director of Transportation.*

*Maxim is proud of its long history of charitable donations, from sponsorships to product contributions and building homes.*
