

### ***Maxim Donates to Habitat for Humanity***

*With the holiday season fast approaching, Maxim Group Co. has decided to make it a brighter celebration for those in need. Donating over 400 chandeliers, pendants and sconces, Maxim has again made a sizable donation to Habitat for Humanity. These lights are destined toward the Greater Los Angeles area where Maxim is headquartered, improving the lives and well-being of the area's struggling and economically disadvantaged communities.*

*For more than 40 years, Habitat for Humanity's mission has focused on offering affordable housing, home improvements, and a fresh start to those struggling. With these donations, hundreds of families will be able to celebrate the holidays under a brand new light.*

*This donation to Habitat is just the most recent in a long history of supplying the organization with an abundance of lights. From partnering to build homes, offering sponsorships and donating products, Maxim's wide variety of charitable donations has always served one goal: making the world a brighter place.*
