TANIYA NAYAK x MAXIM LIGHTNING

Livable Luxury

COMING THIS FALL

Taniya Nayak is an award-winning interior designer, television personality and entrepreneur, and principal of Boston-based Taniya Nayak Design. Her work spans residential, restaurant and hospitality interiors nationwide, guided by a “livable luxury” philosophy that balances distinctive design with comfort and everyday function. Known for appearances on HGTV, Food Network and ABC, including Restaurant: Impossible and The Great Christmas Light Fight, Nayak received an honorary Doctor of Design Honoris Causa from Boston Architectural College in 2026.

Lighting is one of the most powerful elements in any interior because it changes not only what we see, but how a space makes us feel. It creates atmosphere, encourages connection and gives a room its personality.
