

**PRODUCT DESCRIPTION**

Crystalline clarity meets modern structure in the Geode collection. Inspired by the faceted symmetry of natural mineral formations, each clear glass shade is cut in an angular form that plays with light and shadow. The bold, geometric silhouette feels effortlessly architectural – elevated further by subtle industrial notes like knurled screw collars and diamond shaped tubing on bath configurations. Offered in a range of sizes and finishes, Geode brings sculptural interest to kitchens, bathrooms, and dining rooms as well as statement-making entryways.
