

PRODUCT DESCRIPTION

Overlapping handmade pressed glass disks mounted on metal frames inspired by Mid-Century Italian design, this collection offers a blend of vintage charm and modern elegance. Choose from Vintage Green glass on a Weathered Brass frame, or Amber glass on a Gunmetal frame, or Textured Clear glass on either frame. The textured glass softens the glare of the bulbs, creating a warm, inviting glow that is enhanced by the colored glass options. Available in both round and linear configurations, these fixtures are ideal for dining tables or living spaces. A coordinating tiered wall sconce completes the collection, providing a cohesive and stylish lighting solution.
