

PRODUCT DESCRIPTION

A geometrical marvel of design and craft, the Zeta collection's abstract form seemingly twirls as if in movement. An elusive orb of clear glass casts light both up and downward through indelicate steel spindles in your choice of Natural Aged Brass, Matte Black or Matte White creating a remarkable filigree of light. Available in multiple sizes of pendants, a ceiling mount, and an ADA wall sconce, this collection of products serve as the ultimate focal point of a room.
