

**PRODUCT DESCRIPTION**

A simple candle style chandelier is given a modern edge with tall tapered candle covers that sit at the ends of curved arms without a bobèche beneath them. Available in Satin Brass or Matte Black, the collection compliments many architectural interiors and allows for creative styling through the selection of lamp type. Pair with our T6 lamp for more modern, industrial flair or classic candelabra for a clean, transitional look. This series provides a convenient new take on the candle chandelier with subtle and unique design details.
