PRODUCT DESCRIPTION

Dramatically modern, individually supported rods run through a series of flat circular disks adding interest to the elongated adjustable arms that can be configured according to how you choose to position them. Finished in Naturally Aged Brass and Matte Black finishes, the frames terminate at their ends with LED tubular lamps supplied and shrouded in long cylindrical glass shades secured with pins at the fixture's sockets. The characteristic details and warm filament light source add industrial flair making the collection's modern configuration suitable to a wider array of transitional styling.

*max overall height
