## PRODUCT DESCRIPTION

The Slim Series offers versatile LED recessed retrofit lighting in 5 inch, 7 inch, and select 9 inch diameters, delivering high lumen output for ample downlighting. A CCT selectable switch is conveniently controlled at the compact remote driver, which is easily accessible behind the fixture. Choose from a sleek, flat uniformly illuminated acrylic lens, a deeper recessed baffle trim model, or adjustable gimbal configuration to suit any lighting need. There are also Fire Rated options provide up to 2-hour fire protection, making the Slim Series a reliable and adaptable solution for residential and commercial applications.
